Our day begins with a drive through Whitehorse, along quaint downtown streets, past the world's tallest log cabin, along the shores of Schwatka Lake to discover scenic Miles Canyon. Experience the famous Alaska Highway as we head out into the wilds to visit with some good friends for a morning of sled dog chatter. We learn all about these furry friends who love the cold almost as much as they do pulling a sled through the rugged wilderness of the Yukon. Enjoy lunch in their remote wilderness home.

Choose between two included excursions – (MacBride Museum or SS Klondike):

In the afternoon choose to either explore one of Canada's finest attractions, the MacBride Museum, or enjoy a tour of the SS Klondike, the largest sternwheeler in the North. Following which we meet back at our hotel for dinner.

Alaska Railroad GoldStar Dome Car – Why do we prefer the Alaska Railroad cars?

Native Alaskans give a tour like only natives can. The observation area on the Alaska Railroad is on the top of the car, not in the middle, so your views are uninterrupted.
