IMPORTANT NOTES

DEAR TRAVELLERS, PLEASE KEEP THE FOLLOWING IN MIND:

Walking:

The best way to experience Japan is by absorbing it during intimate walking tours. As many streets and picturesque areas do not permit coach access, guests need to be able to walk at least 1 kilometre unaided and climb several flights of stairs. May we suggest you extend daily walks prior to departure to best prepare for this fantastic journey.

Food:

This is an important part of Japanese culture and we are pleased to provide exceptional dining experiences in some of Japan's finest restaurants. Menus will vary between western and Japanese highlighting the local cuisines and specialties of each region. Fish plays prominently in the Japanese diet. Accommodation is made for guests who cannot eat fish, but western food prepared by Japanese chefs is not the same as food at home. Most meals include water and green tea.

Baggage Service:

Hotels in Japan do not typically offer baggage service. Guests will be responsible for getting their bags to/from their rooms.

Thank you!
